Re: Sir

My name is Robert  
Wootton. I had someone  
from Cash Closet call me  
up and talked me into  
buying \$40 worth of Bit  
Coins. Said I could use  
them on different web  
sites. When I went to  
use them, I didn't have  
anything in my account.  
I believe they owe me  
\$40. Don't know where  
that money went. Thank  
you for your help
